our story

community involvement

January 1, 2002, Russell Turner and Scott Turner opened their first Ashley Furniture HomeStore in Tallahassee, Florida. From there the company saw enormous growth with the opening of twelve stores. With our thirteen stores in six states, we are proud to provide customers with outstanding selection, value and service.

Our productive past and drive for success have allowed us to grow and provide many new jobs in Georgia, Florida, Alabama, Mississippi, North Carolina and Virginia. We are proud to be a part of your community and look forward to servicing our customers and neighbors for many years to come.

We are proud to be associated with Ashley Furniture Industries, which established in 1945, has grown to become the largest furniture manufacturer in the world. In less than 10 years, they have become the best-selling furniture brand in the world and the #1 retailer of furniture and mattresses in the United States. There has never been a more exciting time to join the Ashley Team!

Meredith Smith
Home Furnishing
Consultant

Before working for Ashley HomeStore I had no idea I would have such a love for interior design! Ashley offers a complementary design service and I have been fortunate to go on my own design consultations! I love working for Ashley!

Ashley HomeStore proudly supports many charities and services around the world, including our own Hope to Dream program. Through this program, we've helped thousands of children get the restful sleep they deserve.

community partner program

In an effort to reward those businesses and organizations that are committed to their communities, employees, members and customers, Ashley HomeStore has implemented the Community Partner Program.

Our Preferred Community Partners may take advantage of our exclusive discount offer of 22% off our Ashley Direct Pricing. Our stores are locally owned and operated and our team members live and work here just like you.

your success starts here

Shannon Taylor
Director of Customer Experience

Following college, I started with Ashley on the sales floor and shortly after grew into operations management. With the great support of the team there, I continued to grow and take on more responsibilities as assistant manager. Now as Director of Customer Experience, I am involved full-time in supporting merchandising, marketing and talent education for all thirteen stores.

Nathan Odom
Home Furnishing Consultant

Ashley HomeStore has helped me grow personally and professionally. I love meeting new people and discovering their needs and wants to help bring their visions to life. The Ashley Team is very involved with our community.

Nikia Jones-Shaw
Home Furnishing Consultant

I love the salesperson-customer relationship that's established when helping customers find new furniture for their homes, and seeing them happy with their new furniture. I also love how Ashley gives back to the local community through the Hope to Dream program.

career opportunities

Ashley HomeStore provides career opportunities to seasoned sales associates, recent graduates and current students. Our full and part-time opportunities establish an excellent foundation in the retail industry and will lend to the development of our future leaders.

professional sales & manager in training program
